## TENDER OPPORTUNITY PROVISION OF FILTRATION SERVICES

NipeX Tender No – CNL.00000310

### 1. INTRODUCTION:

Chevron Nigeria Limited (CNL) invites interested and prequalified companies for this tender opportunity for Provision of Filtration Services to support 2025 – 2032 JV Drilling and Completion Operations.

The contract is proposed to span a period of Five (5) years with a possible optional term of two (2) year duration.

### 2. SCOPE OF WORK:

Interested Applicants must be able to provide the following as required for Electric Submersible Pump services:

- Provision of Filtration Equipment, auxiliary equipment, consumables, and personnel for to perform filtration of oilfield completions fluids for oil, gas and water wells.
- Bidders must be able to provide Diatomaceous Earth (DE) filter units, minimum of 1100 cubic-foot, rated for a minimum of 15 bpm. DE units to be equipped with centrifugal pumps, pre-coat and body feed tank skid (10 bbl each), dual-pod cartridge, slurry mixing tank with mounted Wilden Pump for Pre-coating, diaphragm pumps, centrifugal pumps, portable turbidity meters and accessories as required to efficiently run the DE filtration units.
- Bidders must be able to provide Poly-Shear units each complete with shear pump, dual pod sock filter unit (capable of filtering 6 bpm per pod), and all required hoses, connections and accessories.
- Bidders must be able to provide cartridge filters for micron ranges from 2 micron absolute to 10 micron absolute, all with Beta coefficient of 5000 for solids removal efficiency.

### 3. MANDATORY TENDER REQUIREMENTS:

- To be eligible for this tender exercise, interested bidders are required to be **pre-qualified and 'live'** in **3.04.31 (Wellbore cleanout and filtration services) category** in NipeX Joint Qualification System (NJQS) database. All successfully pre-qualified suppliers in this category by the advert close date will receive invitation to submit Technical and Commercial Tender (ITT).
- To confirm if you are pre-qualified and view the product/service category you are listed for: Open [www.vendors.nipex-ng.com](http://www.vendors.nipex-ng.com) and access NJQS with your company log in details. Click on Products/Services tab to view your status and product codes.
- If you are not listed in this product service category and you are registered with NUPRC to do business for this category, please contact NipeX office at 27B Oyinkan Abayomi Drive, Ikoyi Lagos with your NUPRC certificate as evidence for verification and necessary update.
- To initiate the NJQS prequalification process, please access [www.nipex-ng.com](http://www.nipex-ng.com), click on services tab followed by NJQS registration.
- To be eligible, all tenders must comply with Nigerian Content requirements in the NipeX system.

### 4. NIGERIAN CONTENT REQUIREMENTS:

Chevron Nigeria Limited is committed to the development of the Nigerian Oil and Gas business in observance with the Nigerian Oil and Gas Industry Content Development Act 2010 (NOGICD Act) enacted by the Federal Government of Nigeria in April 2010.

Pursuant to enactment of the NOGICD Act, the minimum Nigerian Content in any project, service or product specification to be executed in the Nigerian Oil and Gas Industry shall be consistent with the level set in the schedule of the Act and any other target as may be directed by the Nigerian Content Development and Monitoring Board (NCDMB).

Contractors shall comply with the provisions of the NOGICD Act and all applicable regulations. Bidders that do not meet the Nigerian Content criterion will not be allowed to participate in next Tender Stage.

The following are the Nigerian Content requirements bidders are expected to comply with in their technical bid submission:

- Tenderer shall demonstrate that entity is a Nigerian indigenous company with greater than or equal to 51% Nigerian shareholding. Submit certified true copies of CAC forms 10, 02 & 07 (or its equivalent; CAC 2.3, 2.4, 2.5, etc.).
- Provide evidence of what percentage of your key management positions is held by Nigerians and what percentage of the total workforce are Nigerians.
- Detailed description of the location of in-country committed facilities & infrastructure (Administrative/Technical offices, in-country workshop facility) in Nigeria to support this contract.
- Tenderer shall comply with the latest approved version of NCDMB HCD guideline by committing (via a letter of undertaking) to providing Project-Specific training, man-hour, budget, skill development and understudy plan for Nigerian personnel utilizing OGTAN registered trainer(s) or other approved NCDMB training institution(s).
- Provide evidence of Category 1,2,3, 4 & 5 Services and Support Group (SS) NCEC demonstrating ownership of in-country workshop facility and pumping and simulation equipment to execute the work scope.  
**Non-Compliance with Nigerian Content requirements is a Fatal Flaw.**

### 5. CLOSING DATE:

Only tenderers who are **prequalified and 'live'** with **NJQS Product/Category 3.04.31 (Wellbore cleanout and filtration services)** by **16:00 Hours, December 13, 2024** being the advert close date shall be invited to submit technical bid.

### Additional Information:

- Suppliers eligible for this tender opportunity are expected to be prequalified in NJQS under this product/service categories.
- The Invitation to Tender (ITT) and any further progression of this tender shall be via NipeX.
- All costs incurred in preparing and processing NJQS prequalification shall be solely to the bidders' accounts.
- This advertisement shall neither be construed as any form of commitment on the part of CNL to award any contract to any company and or associated companies, sub-contractors or agents, nor shall it entitle prequalified companies to make any claims whatsoever, and/or seek any indemnity from CNL and or any of its partners or affiliates by virtue of such companies having been prequalified in NJQS.
- The tendering process shall be the NNPC contracting process requiring pre-qualified companies to submit technical tenders first. Following a technical review, only technically and financially qualified bidders will be requested to submit commercial tenders.
- CNL will communicate only with authorized officers of the pre-qualifying companies and NOT through individuals or Agents.
