

## TotalEnergies EP Nigeria Limited

Operator of the NNPC/TOTAL Joint Venture

**TENDER OPPORTUNITY: PROVISION OF ENGINEERING CONSULTANCY FRAME AGREEMENT**

**NIPEX TENDER: REF NO:100007840**

**TEPNG. 0000290**

### INTRODUCTION / SCOPE OF WORK

TotalEnergies EP Nigeria Limited, TEPNG (COMPANY) plans to engage the services of qualified Contractors to provide ad-hoc engineering consultancy services on a call-out basis to support Total Upstream Nigeria Limited (TUPNI) operations. Contractors shall be fully capable of performing their services as defined in Lagos and/or Port Harcourt. The Engineering Consultancy Services will support COMPANY's Facilities Engineering from small to large size capital project portfolios. Availability to commence provision of these ad-hoc services is estimated to be in Q3, 2025.

### SCOPE OF WORK

The scope of work for the Engineering Consultancy Services Agreement includes **but should not be limited to:**

- Ad-hoc Provision of engineering services to support TEPNG/TUPNI's Facilities Engineering Capital Projects Portfolio.
- The Ad-hoc Engineering Consultancy Services required shall include but not limited to: Feasibility studies, conceptual design, basic engineering (BE), front-end engineering and design (FEED), detailed engineering (DE) and follow-on engineering (FOE).
- Ad-hoc Engineering Consultancy Services for the design, installation, modification and/or addition of oil, gas, water handling, and process services for typical facilities offshore (i.e. -Deep water: FPSO, subsea production system and pipelines, etc. - Shallow Water: Process and drilling platforms, subsea pipelines, FSO, FPU, etc.) and onshore (i.e. oil terminals, flowlines, pipelines, oil clusters, gas plants, flow stations, etc.).
- Ad-hoc Engineering Consultancy for Infrastructure projects (buildings, roads, drainage culverts, civils and community development works) in COMPANY's onshore sites.
- Ad-hoc Provision of sufficient engineering consultancy personnel to support all projects management activities related to the delivery of engineering consultancy services for the duration of the contract.

### MANDATORY REQUIREMENTS

### ADDITIONAL INFORMATION

- a) Failure to provide any of the listed documents or information may automatically disqualify the Tenderer.
- b) All costs incurred in registering and prequalifying for this and other service categories in NJQS shall be borne solely by the Tenderer.
- c) This advertisement of "Tender Opportunity" shall neither be construed as an invitation to Tender (ITT) nor a commitment on the part of NNPC / TEPNG to award a contract to any supplier and/or associated companies, subcontractors or agents, nor shall it entitle companies to make any claims whatsoever and/or seek any indemnity from NNPC/TEPNG or any of their affiliates.
- d) The ITT and any further progression of this tender shall be via NipeX. Interested Tenderers are therefore advised to ensure that their profiles in NipeX are active with a valid official email address accessible by their organization as this shall be the only means to transmit the ITT.
- e) Tendering process will be the NNPC contracting process (Double Envelope Tenders (DET)) requiring pre-qualified companies to submit technical and commercial tender at the same time. Following a technical review, commercial tenders of technically and financially qualified contractors will be evaluated.
- f) Man-hour figures for Capital Project Portfolios are estimates to provide definition to the scope and do not constitute guaranteed quantities.
- g) COMPANY will only recognize and correspond with duly authorized officers of the pre-qualified Tenderers and NOT through individuals or agents acting on their behalf.
- h) Interested Tenderer(s) should note that TEPNG has very cordial relationship with the host communities of the sites where these services may be performed based on existing Memorandum of Understanding (MOU). Prospective tenderer(s) will be required to implement the obligations of the MOU as part of their contract. COMPANY reserves the right to award one or more contracts from this Call for Tender Process
