

**NEWCROSS EXPLORATION AND PRODUCTION LIMITED  
(OPERATOR OF THE NNPC/NEWCROSS E & P JOINT VENTURE)**

**TENDER OPPORTUNITY: THE PROVISION OF CIVIL AND DREDGING OPERATIONS AND  
MAINTENANCE SERVICES FOR EKULAMA 1, 2, AND AWOBA FLOWSTATIONS IN PML  
55, 56, AND 57.**

**NIPEX TENDER NUMBER:  
SR3047058204**

## **1.0 INTRODUCTION**

Newcross Exploration and Production (Nigeria) Limited, acting as the Operator of the NNPC and NewcrossEP Joint Venture, invites reputable and competent companies to apply for the provision of preventive and reactive civil and dredging services. These services will support operations at the Ekulama 1, Ekulama 2, and Awoba flowstations and fields located within PML 55, 56, and 57. The contract is expected to have an initial primary term of five years with an optional extension of two years.

## **2.0 SCOPE OF WORK**

The selected contractors will be responsible for providing all necessary project management and technical services required to maintain facility access and operational integrity. The scope includes the following activities:

- Survey activities such as reconnaissance and control for construction, pillar establishment, and post-dredge surveys.
- General site preparation including bush clearing and excavation.
- The construction of bundwalls and various shoreline protection works.
- Dredging and sweeping works for both new and old wellhead slots.
- The creation of access points for wellhead locations and slots.
- Clearing of silted swamp routes to maintain access and channels for marine navigation during operations.
- Piling for foundations and other structural concrete works.

- Comprehensive project management including the submission of weekly reports, safety plans, and quality control documentation.

### **3.0 MANDATORY REQUIREMENTS**
