TENDER OPPORTUNITY: PROVISION OF MARINE LOGISTICS SUPPORT SERVICES FOR NNPC/SEPLAT JV

1.0 INTRODUCTION:

Seplat Energy Plc, on behalf of the NNPC Exploration & Production Limited (NEPL)/SEPLAT Joint Venture (hereinafter referred to as “**Company**”) seeks interested and pre-qualified contractors for the PROVISION OF MARINE LOGISTICS SUPPORT SERVICES FOR NNPC Exploration & Production Limited (“NEPL”)/SEPLAT JV on call-off basis as detailed in item 2 below. The contract is proposed to commence in Q1 2027 and continue for three (3) firm years plus two (2) year optional extension.

2.0 SERVICES REQUIRED/SCOPE OF WORK:

The Scope of Work covers the responsibilities, expectations and deliverables for the provision of marine logistics support services to support Seplat West swamp operations.

2.1 Supply of Vessels

Provide inland marine vessels and tugs on call off basis to support operations in Sapele, Ovhor, and any other location that may be specified by the COMPANY. The categories of vessels and equipment shall include the following:

- a. Flat Top Barges of various capacities & configurations
- b. Ramp Barges of various capacities
- c. NNRA Certified Tugs and Barges of various capacities
- d. Coral Barges of various configurations
- e. Tugboats of various capacities
- f. House Boats various capacities
- g. Cranes of various capacities
- h. Swamp Buggy of various capacities
- i. Jack-up Barge of various capacities
- j. Fuel Barge of various capacities
- k. Water Barge of various capacities
- l. Crew Boats (Passport 19 and W23) and Landing craft

2.1.Vessel Operations and Maintenance

Operate and maintain vessels, tugs and associated equipment to support drilling, Well Services, Engineering and production operations, including the transportation of materials and equipment required for such operations.

2.2.Manning of the Vessel.

- Provide adequate and competent crew to man the vessels at all times and in accordance with regulatory requirements for the vessel class.
- Provide full and efficient complement of masters, officers and crew for the various categories of vessels and as specified by regulatory authorities.

- Ensure the vessel personnel provided are trained and licensed in accordance with regulatory requirements for vessel class and in accordance with the relevant provisions of the international convention on Standards of Training, Certification and Watch Keeping for Seafarers (STCW), 1995 and other regulatory requirements.
- Ensure vessel personnel maintain valid certificates, licenses, permits, and other necessary clearances from NIMASA, NIWA, and any other government agency throughout the period of deployment of the vessels under the contract.

2.3. Vessel Inspection and Certification

Provide vessels with appropriate classification and registration with relevant authorities. Such vessels shall undergo relevant third-party inspections and pre-hire/pre-mobilization inspection to ascertain that the specification, seaworthiness and operational readiness of the vessels meet statutory and COMPANY requirements.

2.4. Safety and Regulatory Compliance

- Provide vessels that are seaworthy and compliant with International Regulations and recommendations applicable to the type of vessel and with the Maritime Laws and Regulations of Nigeria. Vessels shall also comply with COMPANY pre-mobilisation requirements.
- Comply with safety standards and marine competence assurance with reference to International Safety Management (ISM) code, MARPOL 73 / 78, SOLAS (SAFETY OF LIFE AT SEA) and Standards of Training, Certification and Watch keeping for Seafarers (STCW 95) Convention.
- Maintain valid statutory licenses, permits and other necessary clearances from NIMASA, NIWA, NCDMB, NPA, and any other government agencies.

2.5. Insurance and Risk Management

- Provide adequate insurance coverage for the vessels, personnel and any other insurance coverage required by law applicable to the supply and operations of the type of vessel.

2.6. Performance Metrics (Key Performance Indicators - KPIs):

- Vessel/Equipment Availability
- Timely deployment of vessel/equipment (On-time Delivery)
- Compliance with legal and regulatory requirements.
- Adherence to performance standards
- Customer satisfaction rate.
